

Supporting you through everyday operations

What's the key to successfully implementing your projects? One factor is our high-quality cabinet hardware, and the other is the services we provide for them. Our services are precisely tailored to support you during every step of the process, allowing you to work more efficiently and save time.

Product Database

Our product database provides comprehensive, up-to-date and error-free information about Blum products. Find digital and print compatible formats of:

- CAD data
- Images
- Specifications
- Drawings

EASY ASSEMBLY App

The EASY ASSEMBLY App makes assembling and installing Blum products easy. Created to be a helpful reference tool, this app uses up-to-date instruction sheets and videos to clearly show step-by-step directions for every product. Whether you are in the cabinet shop or on the jobsite, the EASY ASSEMBLY App is at your fingertips whenever you need it.

Available for iOS and Android
