

TANDEM

Concealed runner system

Reliable performance for every home

The TANDEM concealed runner program delivers smooth, quiet drawer motion. Built for every day demands, TANDEM helps cabinetmakers create accessible storage that's comfortable and intuitive for homeowners. Precise side-to-side, height, depth and tilt adjustments make onsite fine-tuning simple, while the concealed design lets the craftsmanship of the drawer shine. And because TANDEM plus BLUMOTION is proudly manufactured in the United States with domestic and European components, cabinetmakers can count on consistent quality and a supply chain they can trust.
